Tender No.: BSTBPC/E-Tender/"Chahak"/2022/546 dated 23.06.2022

:- CORRIGENDUM - 2 -:

This Corrigendum-2 is with reference to the amendment requested by another prospective bidder for the tender vide NIT ref: BSTBPC/E-Tender/"Chahak"/2022/546 dated 23.06.2022 referring to the bid for the work- Printing of School readiness Module & Workbook 'Chahak' and delivering at all the 38 District Head quarters within State of Bihar.

The clarifications may be noted in the below mentioned table. The modifications/clarifications are also available on the Notice Board of the Corporation.

Sl. No	Printers Name	Eligibility Criteria for Bidders	Bidder's raised Queries	Corporation's response
1	M/s. Global Print Associates, Patna	<p>Column No. 3.2 & page No. 6 -</p> <p>The Bidder must have minimum average total annual turnover of Rs. 4.00 (Four) Crore per year during last three financial years i.e. (FY 2018-19, 2019-20, & 2020-21 or 2019-20, 2020-21 & 2021-22) related to printing work.</p> <p>(c) Turnover certificate issued by Chartered Accountant/Company Secretary (must be mentioned Membership No. UDIN No. & Date) to certify that the turnover is related to printing work only "Section-XV".</p>	<p>This is to bring to your notice that turnover criteria in the bid document will result in minimum number of bidders to participate in the tender as it was seen in the previous bstbpc tender which also resulted in higher rate quote. Hence, a humble request to kindly keep the average annual turnover to atleast 2 crores so as maximum empanelled printers may participate at healthy competitive price.</p> <p>We are already submitting CA audited balance sheet that clearly indicates the turnover. requesting you to kindly exclude this separate submission of the document.</p>	<p align="center">Please refer Corrigendum-1 dated 01/07/2022</p>
2		<p>Column No. 3.5 & page No. 7 -</p> <p>The bidder should have the experience of printing and supply of different types of materials to the Government (Central or State) Sector/ Semi-Government/ Public Sector Unit (PSU) for One single work order for printing of minimum contract value amounting Rs. 200 lakhs (Two hundred lacs) or Minimum two single printing work orders each amounting Rs. 100 lakhs (One hundred lacs) or above during during the last financial years i.e. FY 2019-20, 2020-21 & 2021-22.</p>	<p>These criteria should be more flexible as in the past tender also the value of single order was not this high. Changing this will again fetch more bidders to participate in the bid. request for change.</p> <ol style="list-style-type: none"> One single order of rs. 50 lakh for the printing & supply of books (with paper) OR Two single order of Rs. 35 lakh for the printing & supply of books (with paper) OR Three single order of Rs. 20 lakh for the printing & supply of books (with paper)" 	<p align="center">As per bid conditions</p>

2

3		<p>Column No. 3.15 & page No. 8 -</p> <p>I. Pre-Press: One DTP (Core i5 & above) with minimum one terminal along with A-3 size colour inkjet/ laser printer of 600 DPI or above with latest version of licensed software viz Corel Draw, Photoshop and other publishing software.</p>	<p>Working well with their existing configuration in the past as well no pre press system was required and work orders were completed successfully without any hindrance.</p>	<p>As per bid conditions</p>
4		<p>Column No. 3.15 & page No. 8 -</p> <p>III. Post Press:</p> <p>a) One Fully Automatic Folding Machine.</p> <p>c) One Flowline machine with minimum six stations with gathering, stitching and three side trimmer.</p> <p>d) Power operated wire stitching machine</p>	<p>a) The machine should be optional as folding work can be done by other means as well (manual folding machine, hand feeder machine, vacuum</p> <p>c) Even a flowline machine with integrated stitching and trimmer can be used to do the similar work. Specifying station here again is to restrict maximum bidder from participation.</p> <p>d) This machine is again not required or should be optional as in this tender flowline machine already has stitching facilitates integrated in it.</p>	<p>As per bid conditions</p>
5		<p>Column No. 3.16 & page No. 9 -</p> <p>(Mandatory documents)</p> <p>The bidder(s) will be required to submit 5 (five) A/3 size sheet samples of Paper 80 GSM SS (Surface Size) Maplitho Natural Shade paper, 130 GSM Art Paper & 220 GSM Art Board (any one or more paper mills sample for each to be submitted. See Section-V) with paper testing reports from any Govt. owned laboratory and consent letter from paper manufacturing mill or their authorized dealer for timely supply of required papers to the bidder.</p>	<p>Since , the work is urgent and tender is issued on a very short notice, testing report of the sample papers should be excluded from the criteria. Once the invoice is raised without test report of the supply material payments are not made. Hence, a humble requests to remove this as eligibility criteria</p>	<p>The submission of paper testing report at the time of bidding is hereby relaxed.</p> <p>However the paper testing report shall be mandatory before start of supply of books & modules. Accordingly the paper testing report has to be submitted in the office of BSTBPCL before start of supply and also same report to be enclosed along with the tax invoice.</p>

Note: All other terms and conditions shall remain unchanged. Any error/duplicacy with respect to above mentioned clauses found/mentioned elsewhere in the bid document may be understood as revised through this corrigendum-2.
